## STATE OF THE TOWN

*Twenty-Twenty!* Need more be said than it is thankfully over?

This past year has seen many accomplishments that have been over-shadowed by the invasion of a nasty little bug. Everyone has read and heard so much about it, that more need not be written here.

The year started very upbeat: the economy was doing well and unemployment was very low, which is good for our residents. The results of Town Meeting reflected this, as most warrant articles passed including the budget which included a long over-due pay plan for our employees.

Probably of most interest, however was the passage of a bond to provide town-wide high speed internet service. Construction of the infrastructure by Consolidated Communications started immediately after securing the bond proceeds in July. Although to many, not nearly soon enough, connection to homes should start in early spring of 2021.

The Wellington Road bridge replacement article also passed and as of this writing is in the bid process for construction, also in 2021. This will be an inconvenience to many as detours will be required when the road is closed to all traffic. Please be patient and plan accordingly.

Other important articles that passed are the third payment for the Fire Department's Engine One and another to authorize the lease/purchase of the much needed replacement for our 1998 Rescue vehicle. This is due to be delivered mid-year 2021.

Town operations had to be 're-envisioned' for much of the year. Some Town Office employees worked remotely for a short amount of time, but our newly elected Town Clerk, Lauralei Knight remained open by utilizing appointments and drop-off for processing motor vehicle registrations and other business. Our Tax Collector, Carol Donovan also remained open in much the same fashion. Town Office operations are as normal as possible only requiring limited occupancy in the building.

We welcomed a new Executive Secretary to the Selectmen's Office, Lori Rautiola who in conjunction with our Town Administrator, Sara Gravel is in the overdue process of updating the Town web page.

Highlights of the year included a well-attended Trunk or Treat event in October. The Recreation Department did have to curtail most activities, but many were ready for some sense of 'normal'. The annual Senior Dinner was done via delivery by a large group of volunteers. The Department also had our annual Tree Lighting event the first Saturday in December, which was also well-attended.

As always, but especially this year, a big 'shout out' to all our employees, board, committee and commission members. The employees all found ways to stay safe and continue working to keep the Town running. No easy fete! The dedicated volunteer members of the various boards all learned a new definition for the word 'Zoom' and managed to continue doing the necessary work of the Town.

One last thing: Our EMD (Emergency Management Department) headed by Director of Public and Life Safety (or more commonly known as our Fire Chief), Rickard Donovan, put in countless hours of attending briefings and keeping the Board of Selectmen informed. He was assisted by Deb Douglas and Ron Ossimo in obtaining and distributing all the items necessary to keep our Town Buildings safe, clean and open and supplying our employees with whatever their needs were. Rick, Deb and our Finance Director Laurie May also applied for many grants to offset the extra expenses incurred by the Town. A grateful 'thank you' to them for all the extra effort.

Respectfully submitted,

Roberta K. Oeser  
Chairman, Board of Selectmen

**REPORT ON INTERNAL CONTROL BASED ON  
AN AUDIT OF BASIC FINANCIAL STATEMENTS**

To the Board of Selectmen  
Town of Rindge, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Rindge, New Hampshire (the Town) as of and for the year ended December 31, 2019, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

### **Town Clerk Remittance Report to Treasurer Jan 1<sup>st</sup> 2020 through Dec 31<sup>st</sup> 2020**

2020 was my first year as the Town Clerk of Rindge and it came with its share of troubles, learning curves and happy moments. In spite of the pandemic we were able to continue doing business and get the people of Rindge what they needed. People have been respectful about their differences and worked within some new boundaries set up by the town to protect its citizens. Thank you all for making myself and my Deputy, Jennifer Helsel, feel welcome. It has been an honor to serve you this year and we look forward to a great 2021!

## **TRUSTEES OF THE TRUST FUND**

This year has been interesting to say the least. It has also been a year of change for the Trustees of the Trust fund.

We would like to extend our thanks for the years of faithful service that Jeanette Guttridge has dedicated to the scholarships given to Rindge students. Over the years thousands of dollars have been given to the well-deserved Rindge students from the Thrasher Fund and other funds that we manage.

The Trustees also welcomed Dwight Schenk, who joined us in March and has provided a new critical eye to the management of Rindge's Trust Funds. We have been working hard to improve systems and bring fund management in line with current State standards.

Of special note is that at March's Town Meeting, a warrant article to authorize a disbursement from the Electric Light fund for the purchase of emergency power for town buildings was proposed and passed. For many years this fund was untouchable due to the state mandated voting restrictions. This fund will continue to be managed for growth and possible future use by the Town for capital purchases.

Respectfully submitted,

Craig Clark

## Requirements for Semi-Annual Billing

### Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

## Fund Balance Retention

<b>Enterprise Funds and Current Year Bonds</b>	<b>\$2,579,125</b>
<b>General Fund Operating Expenses</b>	<b>\$21,011,533</b>
<b>Final Overlay</b>	<b>\$49,957</b>

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

## **Article 2:**

To see if the town will vote to raise and appropriate the sum of Five Million Thirty Seven Thousand Eight Hundred and Twenty Five Dollars (\$5,037,825) for the purpose of furnishing, constructing and installing facilities and equipment to make available to every residential and business address in the Town of Rindge a "Fiber to the premises" network by Consolidated Communications Enterprise Services, Inc. ("Consolidated"), with Two Million Five Hundred Seventy Nine One Hundred and Twenty Five (\$2,579,125) Dollars of such sum to be raised through the issuance of bonds or notes, under and in compliance with the Municipal Finance Act, RSA 33:1, et seq, as amended; and Two Million Four Hundred Fifty Eight Thousand Seven Hundred (\$2,458,700) Dollars of such sum as a donation from Consolidated; to authorize the Board of Selectmen to apply for, obtain and accept federal, state or other aid, gifts, and donations which may be available for said project and to negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof and to authorize the Board of Selectmen to take any other action or to pass any other vote relative thereto. (3/5 Vote Required) There is no tax impact.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 5 in favor, 0 opposed)

**Roberta Oeser made a motion to amend Article 2 to add "thousand" after twenty five , motion was seconded by Jed Brumer and the motion was carried by a hand count. Roberta went over the article and also mentioned that Rob Koester from Consolidated was there to answer any questions. Slides were shown to discuss the internet speeds. Roberta also stated that there was no tax impact.**

**Article 2 will appear on the ballot.**

**Yes - 1151 No - 174**

## **Article 3:**

To see if the Town will vote to authorize the Selectmen to enter into a five year lease/purchase agreement and equip a new Fire Rescue Truck to replace the 1998 Freightliner FL60 rescue in the amount of Two Hundred and Sixty Five Thousand (\$265,000) Dollars, with said amount to

be offset by trading in the current rescue for Fifteen Thousand (\$15,000) Dollars, said lease to be payable over a five year term, and further to raise and appropriate the sum of Fifty Five Thousand Eleven Dollars and Seventeen Cents (\$55,011.17) for the first year's payment for that purpose. The lease agreement contains an escape clause.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**Karl Pruter went over the article and stated that this is an essential piece of equipment for the town. The cost impact will be about \$20 per year per property.**

**No changes to Article 3, the article will appear on the ballot.**

**Yes -917      No -395**

#### **Article 4:**

To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Four Million One Hundred Seventy Five Thousand (\$4,175,000) Dollars. Should this article be defeated, the default budget shall be Four Million One Hundred Sixty One Thousand Seven Hundred and Sixty Seven (\$4,161,167) Dollars which is the same as last year with certain adjustments required by previous action of the Town of Rindge or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**Bob Hamilton addressed Article 4. The budget will have a 3% wage increase over the 2019 budget. He also said there will be a modest increase in operating budget. Increases were contractual obligations or mandated. They are also looking at individual salaries and trying to bring them up to national standards. Arthur Knight asked the question if there was any consideration to adjusting to a 53 week pay year. Bob answered that it wasit would be divided by 53 pay periods resulting in a reduced weekly paycheck but the same annual salary.**

**No changes to Article 4, the article will appear on the ballot.**

**Yes - 867      No - 433**

#### **Article 5:**

To see if the Town will vote to raise and appropriate the sum of One Million Two Hundred and Fifty Thousand (\$1,250,000.00) Dollars for engineering, environmental permitting and construction for the replacement of the Wellington Road Bridge over Converseville Brook (NHDOT Bridge No. 154/069), and to authorize withdrawal of \$1,000,000 from the unassigned

fund balance to participate in the NHDOT Municipal Managed Bridge Aid Program where the town will be reimbursed 80% of the costs. To further raise and appropriate the town's portion of the project (remaining 20%) of 250,000 which will be offset by \$146,000 from the Wellington Road Bridge Replacement Capital Reserve Fund and \$104,000 from the unassigned fund balance. This special warrant article will be a non-lapsing appropriation per RSA 32:7, VI until the project is finished or 2022, whichever occurs first. There is no tax impact. (Majority Vote Required).

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**Roberta Oeser went over Article 5. It is basically allowing the selectmen to use general funds that the town has been saving for the past 8 years. The road will be closed during construction, but its important to get work done before the state closes the road. No tax impact.**

**No changes to Article 5, the article will appear on the ballot.**

**Yes - 1122      No -191**

#### **Article 6:**

To see if the Town will vote to raise and appropriate the sum of Ninety-Two Thousand Nine Hundred and Seventy-Six (\$92,976) Dollars for the third payment on the Fire Department Engine One replacement voted on and approved by the Town pursuant to Article 5 of the 2018 Town Warrant. The lease agreement contains an escape clause.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**Karl Pruter went over Article 6 . He stated that this is the third payment of five . There will be some tax impact.**

**No changes to Article 6, the article will appear on the ballot.**

**Yes - 1120      No -196**

#### **Article 7:**

To see if the Town will vote to raise and appropriate the sum of Ninety Two Thousand Eight Hundred and Forty (\$92,840) Dollars for the purpose of purchasing and equipping a new Backhoe to replace the 2006 backhoe and with an additional Twenty Thousand (\$20,000) Dollars for the purchase from the Transfer Station Revolving Fund and said purchase to be offset by trading in the old backhoe for \$23,500 and the remaining amount of \$49,340 to be raised through general taxation.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 5 in favor, 0 opposed)

**Bob Hamilton made a motion to amend article 7 from \$92,840 to \$112,840 then the remaining amount of \$49,340 to \$69,340.**

**Roberta Oeser seconded the motion. Motion carried. Bob stated that the new backhoe will be for plowing and the plow can turn sideways and be more efficient in the cemeteries.**

**Article 7 will go on the ballot as amended**

**Yes – 720 No - 584**

**Article 8:**

To see if the town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of repair and maintenance of existing town buildings and facilities and to raise and appropriate the sum of Forty Thousand (\$40,000) Dollars to be placed in this fund and to authorize Forty Thousand Dollars to be withdrawn from the unassigned fund balance which represents sales of tax deeded properties. Further, to name the selectmen as agents to expend said fund. There is no tax impact.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**Roberta Oeser went over Article 8. There are some concerns to the town buildings. No tax impact.**

**No changes to Article 8 the article will appear on the ballot.**

**Yes -1092 No -229**

**Article 9:**

To see if the Town will vote to raise and appropriate the sum of Fifty Thousand (\$50,000) Dollars to be added to the Highway Department Equipment Capital Reserve Fund previously established.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**Karl Pruter went over the article, there will be an \$18 tax impact. He stated that this is a fund to build for the future issues to help maintain a steady tax rate instead of a last minute impact. Al Lafave made a motion for - reconsideration. Mark Tanner seconded.**

**No changes to Article 9, the article will appear on the ballot.**

**Yes -861 No -456**

**Article 10:**

To see if the Town will vote to raise and appropriate the sum of Twelve Thousand (\$12,000) Dollars for the Cemetery Expendable Trust Fund previously established. This is the third of a five year project that will end after the five years.

(Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**Bob Hamilton went over article 10. There is no tax impact. The money would be used to repair gravestones at the Hillside cementary and to help maintain the roads.**

**No changes to Article 10 the article will appear on the ballot.**

**Yes - 1064 No - 236**

#### **Article 11:**

Shall the Town vote to increase the Optional veteran's tax credit for service-connected total disability from \$2,000 to \$4,000, as allowed by New Hampshire RSA 72:35, I-a, effective January 1, 2020, pursuant to NH Senate Bill 341. The optional tax credit for service-connected total disability shall replace the standard tax credit in its entirety and shall not be in addition thereto. (Submitted by petition)

Recommended by the Budget Advisory Committee, 3 in favor, 2 opposed, 1 abstention)

**Craig Clark spoke about Article 11. He stated that it is a state provision and why would we not take advantage of it. William Gunther asked why there would be opposition? Phil Motta said that the article is open ended and not knowing what the cost would be that tax payers would pay the difference. Kathy John moved to amend the article by saying it should be a 100% disability. Arthur Knight seconded the motion. Judy Unger-Clark asked if the article can be amended by a motion. Roberta Oeser checked the RSA and read it out loud. Lisa Wiley also commented that the article wording would have to stay the same according to statue 23-A. John Hunt also read his version of total disability. Arthur Knight withdrew his second to the motion made by Kathy John. Charlie read the motion again.**

**No changes to Article 11, the article will appear on the ballot.**

**Yes -822 No -482**

#### **Article 12:**

Shall the Town of Rindge refuse to accept any roads as a public highway until any further acceptance is voted upon by the legislative body? If passed, this policy takes effect immediately. (Submitted by petition)

**Ronnie Hamilton made a motion to strike the first sentence in Article 12 and have it read "Shall the Town vote, as provided by RSA674:40 -A, to rescind the selectmen's delegated authority to accept dedicated streets under RSA 674:40 with the authority to revert back to the Legislative Body (town voters) at annual Town Meetings."**

**Acceptance of these roads (to be class 5 roads) by the Town requires a larger highway department budget for maintenance, as well as capital improvements for equipment and road repairs, and can place an undue burden to the taxpayers. As more developments that have been approved and /or will be approved, it is expanding our budget services. While Fire and Police Departments budgets will be stressed, the Highway Department will feel the largest impact.**

**This article does not take away anyone's right to put in a petition warrant article for a road to be accepted, such as Scott Lane back in 2011 as the legislative body(voters) approved their .5 miles as an official town road. It passed 839 to 751. This article also does not infringe on Homeowners Associations,, and other private roads whereas neighbors have verbal agreements to maintain their roads. Most have said they like it that way. Under New Hampshire law, for a non-public road to become a public highway, the road must be “accepted “ by vote of the Town meeting, the only exception is if the town has, by previous vote of Town meeting delegated acceptance under RSA 674:40-A.**

**So the “intent” of this petition warrant article is to simply take the acceptance of rads from the BOS and place it into the hands of the legislative body- the voters. The Roadway Committee would still be following Ordinance K and their obligation and responsibility of addressing issues concerning Town roadways and highway safety, and participating, resolving and/or providing recommendations to the Board of Selectmen, who would in turn submit it in a Warrant Article for the legislative body-voters to be put on the ballot.**

**Jim Qualey seconded the motion. The motion carried by a hand vote.**

**Article 12 will be placed on the ballot with an amend.**

**Yes - 635    No -612**

#### **Article 13:**

To see if the Town will vote to re-instate the Growth Management Ordinance (GMO) as amended in 2008 which limits the number of building permits that can be issues in a calendar year for residential construction. A copy of the ordinance can be obtained by the Planning Department for review. If passed, this ordinance can only be rescinded by a vote of the legislative body (voters). (Submitted by petition)

Not recommended by the Planning Board, 0 in favor, 6 opposed.

**Charlie Eicher read the article and stated that this article cannot be amended, and will go on the ballot as is.**

**No changes to Article 13, the article will appear on the ballot.**

**Yes - 480    No - 819**

#### **Article 14:**

To see if the Town will re-instate the Impact Fee Ordinance (originally passed by voters in 2003, and rescinded by the voters in 2017) that will authorize the Planning Board to assess impact fees for residential development and to adopt regulations to implement the provisions of the ordinance. If passed, this ordinance will be retroactive to January 1, 2020. This can only be

rescinded by the legislative body (voters). These fees would help to off-set the costs to essential services, like our Police, Fire and Highway Departments. (Submitted by petition)

Not recommended by the Planning Board, 0 in favor, 6 opposed.

**Charlie Eicher went over article 14, this article cannot be amended, and will appear on the ballot as is.**

**No changes to Article 14, the article will appear on the ballot.**

**Yes - 463      No -832**

**Article 15:**

Shall the Town vote to adopt a Noise Ordinance in accordance with RSA 31:39, I (n), to promote an environment free from excessive noise which unnecessarily jeopardizes the health and welfare of the citizens of the Rindge and degrades the quality of life in this community, without unduly prohibiting, limiting or otherwise regulating the function to certain noise-producing equipment which is not amenable to such controls yet is essential to the economy and quality of life of the community. The purpose of this Ordinance is to establish standards for the control of noise and noise disturbances in the Town by prohibiting specific activities during designated times and by setting maximum permissible sound levels within the Town. The prohibited hours of creating excessive noise is generally late evening through early morning hours. (Submitted by petition)

**Evelyn Goodspeed spoke on this article. She stated that she has lived in Rindge over 20 years and have had some noise issues such as construction work going on at 10:00 oclock at night while she is tring to sleep. She has called the police , but they cannot help, she has also brought it to the attention of the selectmen but they could not help either. There is currently no noise ordinance in Rindge. 80% of New Hampshire towns have a noise ordinance and they noticed less call volume.**

**Al Lefabre made the motion to limit reconsideration of the article and Philip Motto seconded.**

**No changes to Article 15, the article will appear on the ballot.**

**Yes - 592      No -710**

**Article 16:**

We the town of Rindge hereby call upon our State and Federal elected representatives to enact carbon-pricing legislation to protect New Hampshire from costs and environmental risks of continued climate inaction. To protect households, we support a Carbon Fee and Dividend approach that charges fossil fuel producers for their carbon pollution and rebates the money collected to all residents on an equal basis. Enacting a Carbon Cash-Back program decreases long-term fossil-fuel dependence, aids in the economic transition for energy consumers, and keeps local energy dollars in New Hampshire's economy. Carbon Cash-Back has been championed by US economists (Jan 17, 2019 WSJ) as the most effective and fair way to deliver

rapid reductions in harmful carbon emissions at the scale required for our safety. (Submitted by petition)

**Pat Martin presented a slide show. The pricing advantage of a carbon fee are: 1. most cost -effective 2. econmy-wide, 3. fastest way to reduce emissions 4. self-financing 5. enables carbon dividends 6. empowers the American people 7. justifies regulatory streamlining 8. unlocks innovation 9. technology -neutral 10. enhances competitiveness 11. puts America in the driver's seat and 12. promotes bipartisanship. How this works, charge a fee on fossil fuels at the source 2. return 100% of net revenue to households as a dividend and 3. carbon border adjustment. Some of the benefits are less carbon emissions over the next 12 years, families would get paid (annual dividend for a family of 4 in year 10) , a healthier environment, and jobs will be created (2.1 million jobs created over 10 years in local communities).**

**Yes – 538 No -748**

**Charlie Eicher asked if there was any other business.**

**Craig Clark just wanted to thank Nancy Martin for all the years of dedication and service to her job. The audience gave her a round of applause.**

**Bob Hamilton made a motion to adjourn and Roberta Oser seconded . The meeting ended at 10:20.**

**Article 20:**

By petition of 25 or more eligible voters of the town of Rindge, NH to see if the town will vote to urge that the New Hampshire General Court, which is obligated to redraw the maps of political districts within the state following the federal census, will ensure fair and effective representation of the New Hampshire voters without gerrymandering.

Additionally, these voters ask the town Rindge, NH to urge the NH General Court to carry out the redistricting in a fair and transparent way through public meetings, not to favor a particular political party, to include communities of interest, and to minimize multi-seat districts.

Furthermore, as the New Hampshire State Constitution, Part 2, Article 11 allows towns of sufficient population to have their own state representatives, not shared with other towns, for the town of Rindge, NH to petition the NH General Court for its own exclusive seat(s) in the NH House of Representatives if it does not already have it, ensuring that State Representatives properly represent the town's interests.

To transact any other business that may legally come before this meeting.

Given under our hand and seal this 25<sup>th</sup> day of January in the year of our Lord, Two Thousand and Twenty-One.

**NO 174**

**Article 3:** To see if the Town will vote to authorize the Selectmen to enter into a five year lease/purchase agreement and equip a new Fire Rescue Truck to replace the 1998 Freightliner FL60 rescue in the amount of Two Hundred and Sixty Five Thousand (\$265,000) Dollars, with said amount to be offset by trading in the current rescue for Fifteen Thousand (\$15,000) Dollars, said lease to be payable over a five year term, and further to raise and appropriate the sum of Fifty Five Thousand Eleven Dollars and Seventeen Cents (\$55,011.17) for the first year's payment for that purpose. The lease agreement contains an escape clause. (Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**YES 917**

**NO 395**

**Article 4:** To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Four Million One Hundred Seventy Five Thousand (\$4,175,000) Dollars. Should this article be defeated, the default budget shall be Four Million One Hundred Sixty One Thousand Seven Hundred and Sixty Seven (\$4,161,167) Dollars which is the same as last year with certain adjustments required by previous action of the Town of Rindge or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**YES 867**

**NO 433**

**Article 5:** To see if the Town will vote to raise and appropriate the sum of One Million Two Hundred and Fifty Thousand (\$1,250,000.00) Dollars for engineering, environmental permitting and construction for the replacement of the Wellington Road Bridge over Converseville Brook (NHDOT Bridge No. 154/069), a Town-owned and maintained bridge with critical deficiencies and limited loading capacity of 3-tons; and to authorize withdrawal from the unassigned fund balance from this purpose.. The Town will be reimbursed 80% (up to \$1,000,000.00) of the actual engineering, environmental permitting and construction costs by the New Hampshire Department of Transportation (NHDOT) through the NHDOT Municipal Managed Bridge Aid Program. The

remaining 20% of the costs (up to \$250,000.00) shall be funded by the Town through the Wellington Road Bridge Replacement Capital Reserve Fund and the Unassigned Fund Balance. This special warrant article will be a non-lapsing appropriation per RSA 32:7, VI until the project is finished or 2022, whichever occurs first. There is no tax impact. (Majority Vote Required). (Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**YES 1122**

**Article 6:** To see if the Town will vote to raise and appropriate the sum of Ninety-Two Thousand Nine Hundred and Seventy-Six (\$92,976) Dollars for the third payment on the Fire Department Engine One replacement voted on and approved by the Town pursuant to Article 5 of the 2018 Town Warrant. The lease agreement contains an escape clause. (Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**YES 1120**

**NO 196**

**Article 7:** To see if the Town will vote to raise and appropriate the sum of One Hundred Twelve Thousand Eight Hundred and Forty (\$112,840) Dollars for the purpose of purchasing and equipping a new Backhoe to replace the 2006 backhoe with said purchase to be offset by trading in the old backhoe for \$23,500 and \$20,000 Dollars from the Transfer Station Revolving Fund and the remaining amount of \$69,340 to be raised through general taxation. (Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**YES 720**

**NO 584**

**Article 8:** To see if the town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of repair and maintenance of existing town buildings and facilities and to raise and appropriate the sum of Forty Thousand (\$40,000) Dollars to be placed in this fund and to authorize Forty Thousand Dollars to be withdrawn from the unassigned fund balance which represents sales of tax deeded properties. Further, to name the selectmen as agents to expend said fund. There is no tax impact. (Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**YES 1092**

**NO 229**

**Article 9:** To see if the Town will vote to raise and appropriate the sum of Fifty Thousand (\$50,000) Dollars to be added to the Highway Department Equipment Capital Reserve Fund previously established. (Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**YES 861**

**NO 456**

**Article 10:** To see if the Town will vote to raise and appropriate the sum of Twelve Thousand (\$12,000) Dollars for the Cemetery Expendable Trust Fund previously established. This is the third of a five year project that will end after the five years. (Recommended by the Board of Selectman 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed)

**YES 1064**

**NO 236**

**Article 11:** Shall the Town vote to increase the Optional veteran's tax credit for service-connected total disability from \$2,000 to \$4,000, as allowed by New Hampshire RSA 72:35, I-a, effective January 1, 2020, pursuant to NH Senate Bill 341. The optional tax credit for service-connected total disability shall replace the standard tax credit in its entirety and shall not be in addition thereto. (Submitted by petition) (Recommended by the Budget Advisory Committee, 3 in favor, 2 opposed, 1 abstention)

**YES 822**

**NO 482**

**Article 12:** Shall the Town vote, as provided for by RSA 674:40-a, to rescind the selectmen's delegated authority to accept dedicated streets under RSA 674:40 with that authority to revert back to the Legislative Body (town voters) at annual Town Meetings. If passed, this policy takes effect immediately. (Submitted by petition)

**YES 635**

**NO 612**

**Article 13:** To see if the Town will vote to re-instate the Growth Management Ordinance (GMO) as amended in 2008 which limits the number of building permits that can be issued in a calendar year for residential construction. A copy of the ordinance can be obtained by the Planning Department for review. If passed, this ordinance can only be rescinded by a vote of the legislative body (voters). This ordinance would be enacted in accordance with RSA 674:22. The purpose of the Growth Management Ordinance is to preserve the small town rural character of Rindge in accordance with the Rindge Master Plan adopted in 2017. (Submitted by petition) (Not recommended by the Planning Board, 0 in favor, 6 opposed.)

Per Town Counsel there is no legal effect and it is not enforceable. Further approval is not recommended.

**YES 480**

**NO 819**

**Article 14:** To see if the Town will re-instate the Impact Fee Ordinance (originally passed by voters in 2003, and rescinded by the voters in 2017) that will authorize the Planning Board to assess impact fees for residential development and to adopt regulations to implement the provisions of the ordinance. If passed, this ordinance will be retroactive to January 1, 2020. This can only be rescinded by the legislative body (voters). These fees would help to off-set the costs to essential services, like our Police, Fire and Highway Departments. (Submitted by petition) (Not recommended by the Planning Board, 0 in favor, 6 opposed).

Per Town Counsel there is no legal effect and it is not enforceable. Further approval is not recommended.

**YES 463**

**NO 832**

**Article 15:** Shall the Town vote in adopt a Noise Ordinance in accordance with RSA 31:39, I (n), to promote an environment free from excessive noise which unnecessarily jeopardizes the health and welfare of the citizens of the Rindge and degrades the quality of life in this community, without unduly prohibiting, limiting or otherwise regulating the function to certain noise-producing equipment which is not amenable to such controls yet is essential to the economy and quality of life of the community. The purpose of this Ordinance is to establish standards for the control of noise and noise disturbances in the Town by prohibiting specific activities during designated times and by setting maximum permissible sound levels within the Town. The prohibited hours of creating excessive noise is generally late evening through early morning hours. (Submitted by petition)

**YES    592**

**NO    710**

**Article 16:** We the town of Rindge hereby call upon our State and Federal elected representatives to enact carbon-pricing legislation to protect New Hampshire from costs and environmental risks of continued climate inaction. To protect households, we support a Carbon Fee and Dividend approach that charges fossil fuel producers for their carbon pollution and rebates the money collected to all residents on an equal basis. Enacting a Carbon Cash-Back program decreases long-term fossil-fuel dependence, aids in the economic transition for energy consumers, and keeps local energy dollars in New Hampshire's economy. Carbon Cash-Back has been championed by US economists (Jan 17, 2019 WSJ) as the most effective and fair way to deliver rapid reductions in harmful carbon emissions at the scale required for our safety. ## **BUDGET ADVISORY COMMITTEE**

For 2020 the members of the Budget Advisory Committee (BAC) were Phil Motta, Chairman, Cheryl McCabe-Charron, Vice Chair, Tom Coneys, David Graham, Sharon Rasku, and Dan Whitney. Bob Hamilton was the Ex Officio member from the Board of Selectmen.

At the beginning of the year the BAC met and voted to recommend the proposed budget for 2020, which was voted on by the town in March 2020. The BAC also met jointly with the Board of Selectmen several times in public meetings. Over the course of these meetings we reviewed the various expenses by the different Town Departments and we also reviewed the Department head requests for the proposed 2021 budget. The BAC also held meetings independent of the BOS where we reviewed and discussed the proposed budget. All of the BAC meetings were public and were posted publicly.

There were several substantial increases to the proposed 2021 budget caused by increases in the required contribution to the NH retirement fund and the insurance for our town employees. There is also the additional increase due to the payment of approximately \$184,000 for the bond obtained by the Town to fund the town portion of the joint project with Consolidated Communications for the town buildout of the fiber optic network. The bond was approved by the voters in March of 2020. The payment for the bond is 100% offset by money paid by Consolidated Communications to the Town through the contract. Because of the budgeting requirement that we show what we are paying out, this is added to the budget despite the fact that the money to pay the bond payment does not come from taxation.

The 2020 budget was \$4,175,000. The BAC made a proposal to the Board of Selectmen that the new budget for 2021 should be limited to \$4,484,250, which represents the new bond payment and a 3% increase over the 2020 budget.

Faithfully submitted,

Phil Motta,  
Chairman

## **PLANNING BOARD**

The Planning Board reviewed a total of 13 development proposals during the 2020 calendar year. This is slightly more than the 11 development proposals reviewed in 2019 but still significantly less than the 23 development proposals reviewed in 2018. Of the 13 development proposals there were five Technical Subdivisions/Lot Line Adjustments, three Minor Subdivisions, two Major Subdivisions, two Major Site Plans and one Planned Unit Residential Development (PURD) proposal that was reviewed both as a Major Subdivision and Major Site Plan. The Planning Board also conducted three Conceptual Consultations, one for the PURD application referenced above, one for a determination of what is required for a change of use (due to Covid to make necessary changes within an existing restaurant) and one as a courtesy for land clearing for a future parking lot project at the Rindge Memorial School. The Planning Board also held a public hearing for tree trimming on a scenic road.

The Planning Board Planned Unit Residential Development (PURD) subcommittee met multiple times throughout the second half of the year. The subcommittee brought recommendations for changes to the Planned Unit Residential Development Regulation, the Zoning Ordinance and the Accessory Dwelling Unit Ordinance. The majority of the recommendations focused on workforce housing and different ways to allow for workforce housing, which was focused on serving the residents of the Town of Rindge.

The hard work and long hours put in by the members of the PURD Committee, Planning Board member and chairman of the committee, Jason Paolino, Planning Board member, Holly Koski, Selectmen's Representative and ex-officio member to the Planning Board, Roberta Oeser, Daniel Aho, Deni Dickler, Roniele Hamilton, Susan Rasku, Judy Unger-Clark, alternate member Julie Sementa and Planning Director, Kirk Stenersen, is greatly appreciated. A special thanks to those from the public who attended subcommittee meetings as all input and interest was appreciated.

The Planning Board has proposed eight warrant articles for the Town's consideration at the March 9<sup>th</sup>, 2021 Town Meeting. Six of the proposed articles came out of the PURD subcommittee and propose to eliminate workforce housing bonuses through PURD's, allow Accessory Dwelling Units in the College District, create allowances for detached Accessory Dwelling Units and clarify the maximum number of units allowed in multi-family structures. The final two proposed articles are for Zoning Map amendments to include two parcels exclusively in the Business-Light Industry District.

Planning Board members and staff were involved with the meetings of the Town Gown Committee, the Capital Improvement Program Committee and the Emergency Management Department meetings due to COVID-19 during the 2020 calendar year.

Kirk Stenersen continues to fill the Planning Director position on a part time basis. He has planning office hours one day a week on Wednesdays from 9:00 a.m. to 1:00 p.m. Kim McCummings, was hired as the Planning Board Secretary in the middle of the year. Susan Hoyland, the former Planning Board secretary, has remained on staff to train Kim and assist as much as her health allows. The electronic filing system continues to be modified and improved. It has been valuable in research on prior and potential applications and continues to increase the efficiency of the Planning Department.

The Board welcomed Jonah Ketola and Samuel Bouchie back to the Planning Board, as they were both re-elected to the Board at the March 10<sup>th</sup>, 2020 Town Meeting. Robert Oeser was re-appointed to the Planning Board as the Ex Officio member. Dennis Casey resigned as a Planning Board member and

Katelyn Smith was appointed to fill his position until the 2021 Town meeting. The Board thanks Dennis for his service to the Town of Rindge.

Respectfully submitted,  
Jonah Ketola, Chairman

### **ZONING BOARD OF ADJUSTMENT**

The Board of Adjustment is an elected five member board with one to five alternates who serve a three year term and meet once a month. The name of the Board indicates its function for the town, it does not make policy. Instead, it is a public forum which allows citizens who need a hearing to show reasonable adjustment to the public's policies on zoning. To ensure fairness to all, the Board uses the same set of questions called a Decision Tree during the public hearing, then votes publicly and renders a decision after all testimony is heard. Copies of the Decision Tree are available upon request.

In 2020 the BOA also referred to as the ZBA (Zoning Board of Adjustment), considered 23 cases. The following list shows the type of case and the decision made:

**SPECIAL EXCEPTIONS:** There were 5 applications granted and 1 withdrawn.

**VARIANCES:** There were 12 applications granted and 2 denied. Two of those applications have been continued.

2020 was a year of change. Longtime member and past chair Dr. Joe Hill resigned due to health concerns. His unexpired term was filled by former alternate, Marty Kulla. In addition, the Governor of NH declared a State of Emergency and authorized public Boards to meet electronically. The use of Zoom meetings will continue as needed. The meetings are publicly posted, and the public is always invited to participate.

Respectfully submitted,

George Carmichael  
Chairman

## **BUILDING DEPARTMENT**

The Rindge Building Department conducted over 700 inspections in 2020. In 2021 we will continue to update the Department's website (**[rindgefire.org](http://rindgefire.org)**) with all permit applications, worksheets, inspection schedules, permit fees, and information pertaining to obtaining a permit. I continue to look forward to working with all homeowners and contractors performing work in the Town of Rindge.

The Town of Rindge Building Department issued thirty-four (34) Residential Single Family Dwelling Permits, six (6) Replacement Single Family Dwelling, ninety-three (93) Residential Accessory Permits, one (1) Residential Accessory Dwelling Unit, seven (7) Commercial Accessory Permits, eleven (11) Swimming Pool/Hot Tubs, eleven (11) Demolition Permits, one hundred fifty-eight (158) Electrical Permits, four (4) Solar Array Systems, sixty-five (65) Plumbing Permits, four (4) Fire Safety Permits, one hundred ninety-three (193) Mechanical Permits, thirty-seven (37) Occupancy Permits.

### **REVENUE SUMMARY:**

Building Permits: \$44,923.10    Electrical Permits: \$9,300.00    Plumbing Permits: \$5,630.00  
Mechanical Permits: \$9,320.00    Fire Safety: \$315.00    Filling Fees: \$600.00  
Reports: \$47.50

## **PERMIT REQUIREMENTS**

Permits are required for all construction within the Town of Rindge including remodeling, additions, sheds, outbuildings, decks, pools, sun decks, demolition of a structure, etc. A permit is also required for all electrical, plumbing, mechanical, oil and gas appliances including piping, wood burning equipment, chimneys, etc. Permit applications and information may be obtained at the Rindge Building Office located in the Rindge Town Office Building on Payson Hill Rd. Permit applications may also be downloaded from the town's website.

All contractors are required to file a permit application to obtain a permit for their respective trade prior to starting the work. Examples are electrical, plumbing, mechanical permits, etc. This process will ensure better management of building projects within the town. This procedure will guarantee the contractor's endorsement for the building project.

The Rindge Building Department encourages all residents and contractors planning any remodeling or construction projects to first contact the Building Office prior to construction, remodeling, repairing, demolish, altering, etc. to obtain information on the permit process and what permits may be required as well as what codes and code editions are adopted.

**NOTE:**

**A permit must be obtained prior to the commencement of work unless it is an emergency, in which, a permit must be obtained the next business day. Any work started prior to obtaining a permit will result in the permit fee being doubled.**

Respectfully Submitted,

Rickard J Donovan, Director of Public and Life Safety

### **EMERGENCY MANAGEMENT**

The Emergency Management Department experienced a very challenging year in 2020. In March, we started to deal with the COVID 19 pandemic which still continues in 2021. On March 13, 2020 Governor Sununu declared a State of Emergency and issued many Emergency and Executive Orders. Many local businesses either closed or modified their operations. The State Emergency Operations Center (SEOC) opened on March 13, 2020 to assist municipalities with operations, information, and Personal Protective Equipment (PPE). Governor Sununu also set up several committees to provide funding, guidance, and provide information. Funding was made available through the C.A.R.E.S Act as well as the GOFERR Committee and FEMA Public Assistance Grants.

The Rindge Emergency Operations Center (REOC) was activated on a daily basis starting March 13, 2020 as well. We participated in daily conference calls with the SEOC as well as many WebEx and Webinar Meetings and Trainings. We also monitored Governor Sununu's Press Conferences on WMUR-TV. These meetings and trainings still continue at a reduced schedule. The REOC managed the equipment, supplies, and information for the town and provided guidance to Town Departments and the Board of Selectmen. We hold bi-weekly Zoom meetings to provide updates and get input from all Town Departments. We also worked with Finance Director, Laurie May on reimbursement grants and funding for the incident. We would also like to thank our State Homeland Security Emergency Management Field Representative Liz Gilboy for providing guidance through the filing and/or application process.

The Emergency Management Team applied for an Emergency Management Performance Grant (EMPG) for a storage container to house all the emergency management supplies and equipment. The grant total was \$7,600 with \$3,800 to buy the storage container and the town match was \$3,800. The town's portion of the grant was in kind match. Ron Osimo and the DPW time was used as well as the DPW material (Gravel) and equipment costs. The storage container was at no cost to the town.

I would like to take a moment again to thank Ron Osimo for his dedicated service. Ron was appointed by the Board of Selectmen as a member of the Rindge Emergency Team in 2015. Ron has been extremely helpful assisting the REOC with this Pandemic situation.

We will continue to seek NHDOT to install a message center at the NH RT 119 & US RT 202 intersection.

The Department will continue to utilize the Variable Message Sign (VMS) to notify citizens of any important information and/or meetings that need to be relayed to the community. The sign will be placed at Rindge Transfer Station entrance. I would also encourage all residents to install NH Alerts app on their cell phones and computers to receive important information. ReadyNH.gov is another valuable resource for information. I encourage all Rindge residents to visit the site and be prepared before an event happens.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Rickard J. Donovan". The signature is fluid and cursive, with a long horizontal stroke at the end.

## POLICE DEPARTMENT

How do we sum up 2020 in a town report? This was a challenging year unlike any other that none of us have been subjected to. The year started with us losing an officer to a neighboring agency thus putting us short staffed again. Within weeks, the “new normal” we have come to know as COVID-19 hit. This brought an entire new set of challenges for the community and first responders to face. During the learning phases of this, Officer Mark Griffin, who is a member of the NH Guard, was deployed to assist the state in the necessary strategic needs of getting supplies to our first responders. While this was a much needed role that Griffin filled, this now put us 2 full-time officers down. We also were not able to rely on our PT staff during this time as they were committed to their full-time agencies.

In the early summer of 2020, we had a second officer resign from the PD to take a career outside law enforcement. Our already short staffing situation was even harder as conducting in person interviews, doing back ground checks and getting candidates medically cleared were all new challenges as well. In July of 2020, we were able to fill one vacant position with Officer Jeffrey Bain. Officer Bain came to us as an uncertified recruit and entered into his training. He will be scheduled to finally be on his own in the beginning of February 2021. This left the PD with one other vacant position. In Early September, we hired Officer Zachary Letourneau as a full-time officer. Officer Letourneau was a part-time Officer here and had played a critical role in helping fill vacant shifts over the last 2 years. Officer Letourneau will be attending the full-time Police Academy in January 2021 and will be back to full-time patrol work in May of 2021.

Throughout the pandemic, we were faced with trying to keep our officers as safe as possible. This meant a reduction in some services that we normally offer like fingerprinting and Vehicle Identification Checks. We also closed the front lobby and had to restrict our drug take back and sharps boxes with the reduced hours. This was a tough decision as these are all services that I feel are needed for the community but my end goal was to keep the reduced staff healthy. This also meant attending hundreds of conference calls and Zoom sessions to keep up to date on the most recent trends and information. I know that everyone can feel the frustration of the learning curve for online meetings and conference calls, but as a necessity, we all adapted and moved along.

During this time, we strived to keep our web page and data portal up and running so that our information was as current as possible. I still felt that even though we were in this pandemic it was important to have as much information out there as to what the Police Department was responding to as possible. Our web page and our data can be found at <https://rindgepolice.com/>.

We had an interesting year statistically speaking. We saw a minimum reduction in our numbers but that reduction can be directly related to the pandemic and how we tailored our responses to certain types of calls for service. We also noticed that with more people staying home, there was also a reduction in traffic and other calls relating to this. We still continued to work very closely with our

neighboring agencies and have collaborated with NH State Police, Cheshire County Sheriff's Office and federal agencies as well. I am always very proud of how well our officers work seamlessly with other agencies.

	2018	2019	2020
<b>Calls for Service</b>	3482	4011	3738
<b>Motor Vehicle Stops</b>	1280	1486	975
<b>Animal Control</b>	305	270	325

All things said and done, this was a challenging year for everyone. We continue to adapt and overcome each challenge that comes our way to provide the best quality services we can for our community. We are looking for the day when things can start to return to normal and again be able to provide the highest level of services. We will also continue to use the online platforms that this pandemic has offered us training on moving forward in the future to assist the public. We will continue to work with our community and help try to address issues that arise. In order for us to be able to have this platform, we need the assistance from our community to have open forums, conversations and continued dialog.

I would like to thank our community for the overwhelming support over this very challenging year. It means a lot to the officers to know that they have the support from you all.

Respectfully submitted,

Daniel J Anair  
Chief of Police

## **FIRE DEPARTMENT**

In 2020 the Fire Department responded to 814 calls for service. Fire-related incidents accounted for 368 calls and EMS related incidents accounted for 446 calls for service.

In 2021 the Fire Department will continue to build its call membership and provide all these dedicated men and women with the necessary training and equipment to respond to emergencies and preserve the safety of the town and its residents. This is very important to ensure firefighter safety and help keep the town tax rate in check. The dedication and hard work of these residents, who spend hundreds of hours to train and certify, allows the Department to provide a high level of professional service to the Town and protect its residents.

These emergency responders are paid per call instead of manning the station at all hours. Without a full-time Fire Department, Rindge relies on service-minded citizens to work on behalf of the community. Anyone interested in making a difference for their community as a first responder can contact Director of Life and Public Safety Rickard Donovan at the Fire Station (899-3324) for details.

In 2020 we applied for a couple FEMA Assistance to Firefighter Grants (AFG). One was to replace our portable radios and upgrade our Hydraulic Rescue Tools (Jaws of Life) in the amount of \$97,800 (\$4,657 town match). That grant was awarded and we are currently researching the best options. The second AFG was to replace our Forestry Unit (26B1) for (\$190,000). Unfortunately, we were not approved for this project. A third AFG-S became available in late spring for COVID 19 PPE. We applied for it and were awarded \$11,948 (\$568.95 town match).

We applied for a Volunteer Fire Assistance Grant (VFA) and were awarded \$2,017 (\$1,008.50 town match) to replace all of our Forestry Hose.

2020 was a challenging time for our Department, as well as other departments. The COVID 19 Pandemic took its toll in taxing our services, but we will continue to provide a professional service. As our moto states "WHENEVER THE NEED". We will continue to provide a professional service regardless of the situation.

In 2021 the Department will continue to offer free home fire safety guidance, fire prevention programs to schools and civic groups and fire extinguisher training. We will also continue to perform mandatory annual Life Safety inspections in Places of Assembly, Business and Mercantile Occupancies, Educational Facilities, and multi-family dwellings throughout the year. The Department also offers CPR/AED and First Aid classes to citizens, businesses, and civic groups that are interested in improving their lifesaving knowledge. If you are interested in more information about these programs, please contact us at (603) 899-3324.

The Department extends a sincere thank you to all the people, businesses, and organizations that have provided their support during the past year.

Respectfully submitted.

Rickard J. Donovan, Director of Public and Life Safety

The Rindge Fire Department maintains minimum training and certification levels for all emergency responders in accordance with the National Fire Protection Association and National EMS Registry requirements and recommendations. All members are required to participate in mandatory fire, rescue, and EMS trainings, infectious disease training and monitoring, and leadership training.

#### Apparatus Brief

The Rindge Fire Department will continue its Preventative Maintenance Program on all vehicles and equipment in effort to keep all emergency equipment in a state of constant readiness. This program also helps keep repair costs down and ensures the equipment meets its recommended life span. The maintenance program consists of in-house weekly vehicle and equipment inspections; in-house fluid, filter, and lubrication service; oil changes; pump and ladder maintenance; small engine service, and building maintenance.

The Rescue Unit is on schedule to be here in early spring (2021) and we are hoping to have it in service by June.

In 2021 we will again submit for a grant to replace the Brush truck.

#### Fire Prevention, Education, & Inspection Office

The Rindge Fire Department will continue its Fire Prevention and Education Programs in the schools and other public and private events. We also continue to offer Fire Safety Programs, Fire Extinguisher and Prevention Programs to local businesses for their employees. The Rindge Fire Department also offers free Home Fire Safety Inspections to the residents of Rindge and continues to perform mandated inspections at businesses and multi-family dwellings located in town. The Rindge Fire Department maintains an open door policy for the citizens to visit the station during business hours to check out the equipment and apparatus the town owns. This is also a great time to see what is available and the importance of different equipment used in the fire service. Fire Prevention materials are also available at the fire station.

Under NH State Fire Code and State Statutes, all businesses and residential rental units are subject to annual life safety inspections. The Town of Rindge currently inspects these properties. Our goal is to assist business and rental property owners in providing a safe environment for their customers, employees, guests, and tenants.

#### CPR, AED, and FIRST AID Training

The Rindge Fire Department offers CPR, AED, and First Aid classes to the general public and businesses within the Town of Rindge. We are planning on scheduling monthly classes, and more if necessary. To receive more information or to sign up for a class, please contact the Department's

CPR/First Aid Coordinator, Marie Pugh at 603-899-3324. Our goal is to train as many citizens as possible in CPR, AED, and First Aid.

**The Rindge Fire Department would like to thank the Town of Rindge residents and businesses for all their support throughout the years.**

**The Department received \$4,240.00 in restitution in 2020, which is down from previous years. (AVG. \$15,000)**

## **BURN PERMIT AND FIREWORK'S PERMIT SCHEDULE**

### **FIRE STATION**

Mon – Fri: 3:30 PM – 6:30 PM

Sat: 9:00 AM – 1:00 PM

**Note:** On days that it is actively raining you may obtain a permit at the fire station for that day (Monday – Saturday) starting at 10:00 AM

There will be no permits issued on Sundays or Holidays, so plan ahead if you plan to burn on these days. Permits for those days may be obtained after 3:30PM on the Friday before, depending on the weather forecast. If you are unable to obtain a permit on Friday, you can call ahead to make arrangements at (603) 899-3324.

Permits may also be obtained through the NH Division of Forests and Land online burn permitting system. <https://nhdfweb.sovsportsnet.net/> these are available 24hrs a day, weather dependent.

Burn Permits are required for all outside open burning unless 100% coverage of snow. When there is 100% snow, please call the Fire Department and leave a message with your name and address where the burn is taking place.

Anyone who wishes to burn clean, ordinary combustibles such as leaves, brush or untreated lumber, or have a camp or cooking fire must have written permission from the landowner and a fire permit from the Rindge Fire Warden before the fire is kindled. You must be at least 18 years of age to obtain a written fire permit.

Seasonal permits can be issued for established fire rings containing small camp and cooking fires. Such camp or cooking fires shall; be in an area cleaned to mineral soil at least 8 feet across; have at least 6 inches of sand or gravel under the fire for any fire built on the ground; and have no limbs or other burnable material to a height of 10 feet above the fireplace area.

Woody debris or brush less than 5 inches in diameter, or untreated wood and untreated dimension lumber (subject to Env-A 1001.05(g) below) can be burned. For any open burning a written fire permit is required. Even with the permit, no open burning is allowed between the hours of 9:00 am and 5:00 pm unless it is raining. When the ground where you are burning is completely covered with snow no fire permit is required. However, it is asked that you contact the Fire Department before burning.

**DUE TO THE COVID 19 PANDEMIC AND THE STATE OF EMERGENCY, WE ASK THAT YOU USE THE ONLINE PERMITTING PROCESS AS MUCH AS POSSIBLE. WE WILL BE GLAD TO SERVE YOU WHEN THE STATE OF EMERGENCY IS LIFTED, THANK YOU.**

### **FIREWORKS PERMIT**

Fireworks Permit is required to display fireworks within the Town of Rindge. Applications for Class C fireworks must be submitted at least 2 business days prior to the intended display. The permit fee for Class C consumer permissible fireworks is \$10. Class B fireworks require a permit and must be obtained and displayed by a licensed fireworks operator.

#### Permit Requirements:

- The applicant shall appear in person before the Fire Chief, or his/her authorized designee.
- The applicant shall provide proof that he, or she is the landowner of where the fireworks discharge is to occur, or has the landowner's written permission.
- The applicant shall provide a valid photo identification.
- The applicant shall be at least 21 years of age or older. (NH RSA 160-C:II)
- Fireworks shall be purchased from licensed Permissible Fireworks retailers in New Hampshire only. (Copy of Receipt for permit may be requested)
- The applicant shall only purchase the quantity of fireworks needed for the permitted display. The storage of Permissible Fireworks is prohibited.
- Fireworks shall not be ignited by minors (anyone under the age of 21).
- Fireworks shall be ignited a minimum of 50' from any structure or overhead utilities.
- The applicant is required to have a means of fire extinguishment readily accessible.
- The permit shall be valid only for the date (or rain date) it is issued.
- Anyone discharging or igniting fireworks shall not be under the influence of any drugs or alcohol.
- Permissible Fireworks shall only be discharged between the hours of 10:00 AM and 10:00 PM.
- Permits will only be valid on days when the Daily Fire Danger is Class One (low) or Class Two (moderate) as determined by the New Hampshire Division of Forest and Lands – Bureau of Forest Protection without a Fire Detail.

#### Detail Requirements:

The Rindge Fire and/or Police Chief reserve the right to determine if a detail is required; however, a detail will be required for the following: (SAF-C 5024.10)

- All Class B Displays
- Class C Display if permission granted on a Class 3 or Higher Fire Danger Day
- Class C Display with 100 or more attendee's
- Class C Display operated (fired) by a NH Pyrotechnic
- Class C Display at a Place of Assembly where a Place of Assembly Permit is required

The Revenue received for Firework Permits in 2020: \$390.00

**NO FIREWORKS WILL BE DISPLAYED ON A CLASS 5 OR RED FLAG FIRE DANGER DAY**

## FOREST FIRE & STATE FOREST RANGER

This year we experienced challenging wildfire conditions which led to deep burning fires in remote locations that were difficult to extinguish. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

Between COVID-19 and the drought conditions, 2020 was a unique year. The drought conditions led to the need to have a Proclamation from the Governor, which banned much of the outdoor burning statewide. This, along with the vigilance of the public, helped to reduce the number of serious fires across New Hampshire. However, the fires which we did have burned deep and proved difficult to extinguish due to the lack of water. While the drought conditions have improved, we expect many areas of the state to still be experiencing abnormally dry and drought conditions this spring. For this reason, we ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2021 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L: 17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting [www.NHfirepermit.com](http://www.NHfirepermit.com). The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nh.gov/nhdfl/](http://www.nh.gov/nhdfl/). For up to date information, follow us on Twitter: @NHForestRangers

## **DEPARTMENT OF PUBLIC WORKS**

The Rindge Department of Public Works strives to give the citizens of Rindge quality roads. Assessing the condition of and maintaining the town roads are our main priorities. The Town of Rindge maintains sixty-five miles of roads.

The Department was asked to develop a 5-year Road Plan by the Board of Selectmen. The Town has 65 miles of class V maintained roadways. This plan is a fact-based foundation/profile of Rindge roads to develop a thoughtful ongoing strategy for road construction and maintenance and to expand this strategy into a longer range plan. The Board of Selectmen accepted this plan; however, trying to maintain a level budget has somewhat hindered the full fruition of this plan. The Department has increased the paving line slightly over the last couple of years. This year the Highway Block Grant funding the town received was \$182,000. The Highway appropriated amount was \$321,192 for this year. The plan gives a solid direction for sections and evaluations of roads that need immediate attention using the Hub and Spoke Paradigm. Again, trying to maintain a level budget we have not been able to fund the gravel road maintenance line item. Our other fall projects consist of preparing the town trucks and equipment for the winter months, raking and picking up leaves on all town grounds, preparing the Town parks for winter, draining the water lines and winterizing bathrooms at Wellington Park, re-grading and ditching all the gravel roads, and patching potholes.

The winter months keep us very busy. Our main challenge is keeping the roads clear of snow and ice. This can be very challenging and tiring at times. It is not unusual for our crew to work 24-30 hours during major storms. We spend many sleepless nights to give the citizens of Rindge safe roads. The highway crew also services and maintains the equipment during the winter months and assists other Town Departments as needed. The Town is fortunate to have such a talented and diverse group of individuals to provide this service. We have very dedicated crew members who really care about their jobs and take a lot of pride in their work. I would like to personally thank them for their dedication and many hours of work put in during the winter months keeping all town roads safe for our citizens.

The spring months keep us busy cleaning up from winter and preparing for summer. Projects in the spring consist of the following: placing gravel and stone on the dirt roads during mud season, patching potholes, raking and picking up the rest of leaves from the fall, power sweeping all the town parking lots, line striping all parking lots and crosswalks and roadways, opening the cemeteries maintaining lawns, fertilizing, cutting brush and trimming trees in preparation for summer projects, repairing damages to property and road signs from winter plowing, and preparing and advertising bids for the major summer projects such as paving roads, drainage and reclamation of roads.

The major public works projects are performed in the summer. These consist of: replacing drainage pipes, reclaiming roads in preparation for paving, grading dirt roads and line striping several roads, maintaining the Town Common, Police Station, Fire Station, Library, Meeting House, Cemeteries, and the Town Office lawns, preparing Wellington Park fields for summer recreation, and roadside mowing.

**Highway Projects completed in 2020 consist of:**

- Placing 300 cubic yards of gravel, stone on several dirt roads
- Resurfaced Skyview Rd.
- Resurfaced University Dr.
- Resurfaced Section Meadowview Rd.
- Resurfaced North St.
- Resurfaced Shaw Hill Rd.
- Resurfaced Todd Hill Rd
- Replaced 4ft Culvert on Mountain Rd.
- Replaced 4ft Culvert on Ingalls Rd.
- Repaired Water Line to the Meeting House
- Several Miles of Roadside Mowing

This year we replaced our 2006 John Deere 310 4X4 Backhoe with a 2020 310 SL 4X4 Backhoe that is used for highway maintenance, burials at the cemetery and Transfer Station. The Department also received the new 2020 Western Star 10 Wheel Dump Truck. I would like to thank the Rindge voters for passing the warrant article so we can improve our service and better serve our citizens. Thank You.

The Transfer Station and Swap Shop use continues to grow every year. We would like to thank the volunteers for all their personal time in organizing and staffing at the Swap Shop. Without their help, the Swap Shop would not be the as successful as it is today. This year has been difficult with Covid, so we have had to close it for safety reasons. Hazardous Waste has taken a new direction due to the lack of grant funding for smaller municipalities. We have partnered with the City of Keene in their Household Hazardous Waste Days in the spring and fall. Rindge citizens can take their hazardous waste to the Keene Recycling Center located on Route 12 in Keene. Those dates can be found in the Keene Shopper newspaper in the spring and fall Rindge and will be posted on our website under the Transfer Station. Citizens are required to provide proof of residency to dispose of their hazardous waste. Cost of disposal is the responsibility of the citizen at the facility's disposal rate.

The Recycling Program has recycled 363.38 tons in 2020. In 2019 we recycled 320.58 tons to Monadnock Disposal of Jaffrey, NH. This is a difference of +42.80 tons. Disposal of demo/household waste to Monadnock Disposal in 2019 is 819.85 tons. In 2020 we disposed of 737.04 tons. This is a difference of -82.81 from last year. We have seen an increase of citizen use of the facility during the 2020 calendar year. Next year our contract with Monadnock Disposal will expire so we will be addressing that for next year. The Department would like to thank the citizens of Rindge for their conscious effort in recycling and those citizens who participate in the annual Earth Day roadside cleanup in the spring keeping Rindge clean. Keep up the good work.

The full-time Maintenance Technician has worked hard all year at keeping up the buildings and repairing major safety and building issues. He also works with the Energy Committee on improvements to the town facilities with BOS approval. This has saved the Town in having to hire out some of these projects to contractors. The Maintenance Technician along with the DPW Director work with other department heads to devise a yearly maintenance/repair plan to address maintenance issues for all town buildings. He is also responsible for winter plowing which include roads, parking lots and sidewalks, walkways for all of the public buildings.

This year with voter's approval we installed Power Generators for the Highway Garage, Town Office, Recreation Center and the Meeting House Buildings. The Department also installed a mini split a/c unit in the Town Office meeting room, and a mini split heating unit in the Meeting House sprinkler room.

The Public Works crew and I wish to thank the citizens of Rindge and other Departments and Boards for their cooperation and assistance during the past year. I especially wish to thank our Board of Selectmen and Town Administrator for all their guidance and assistance throughout the year.

Sincerely yours,

Michael Cloutier, Sr.  
Director of Public Works

### **SAFETY COMMITTEE**

The Safety Committee, also known as the Joint Loss Management Committee, is mandated by New Hampshire Workers Compensation Law. The Committee oversees the safety of employees and members of the general public who use Town facilities. The Committee meets quarterly and is comprised of representatives of both management and the labor force. Workforce accidents/injuries are investigated by the Committee which makes recommendations for workplace safety improvements to reduce the Town's liability and workers compensation claims. This results in reduced premiums with our property and liability carrier, Primex.

The Committee completed the Primex Prime Risk Management Benchmarks self-assessment form and the Town's Prime Program status was renewed and the benefits package awarded. The Committee reviewed pedestrian and vehicular traffic flow for Town events, particularly on the Common, and facilitated several improvements for traffic, lighting and seating. The Committee also facilitated training courses offered by Primex.

The Safety Committee will continue to monitor the safety of Town employees and facilities. We welcome your input and questions.

Respectfully submitted,  
Sara Gravell, Town Administrator

## **CEMETERY TRUSTEES**

Maintaining our cemeteries in good condition requires on-going effort for routine maintenance and capital improvements. The Cemetery Fund established by the Town in 2018 is being used to address needed improvements at the Meeting House Cemetery and the Hillside Cemetery. During the summer and fall of 2020 these projects were completed:

- repairing and resetting several historic monuments in the Meeting House Cemetery
- repairing cracks and seal coating a portion of the avenues in Hillside Cemetery
- removing brush and dead trees from the Meeting House Cemetery

The Cemetery Trustees, as required by New Hampshire, establishes cemetery regulations and maintains records, oversees the care of cemeteries, lot sales, and burials. A line item is included in the Rindge DPW Budget for cemeteries. All maintenance, care, and burials are conducted by the Rindge Department of Public Works. The DPW Director, Michael Cloutier, serves as Sexton of our cemeteries.

In 2020 there were seven full burials, and 3 cremation burials. Total revenue from grave openings was \$3,450.00 and went into the Town General Fund.

In 2020 there were three full burial lots sold and three cremation lots sold. Total revenue from sales was \$1575.00, of that \$500.00 went into the Perpetual Care Trust Fund and the remaining \$1,075.00 went into the General Fund.

The cemeteries of Rindge provide a dignified, final resting place for our citizens. From the time Rindge was chartered as a town to the present, these cemeteries have provided an important service and outdoor history. The Cemetery Trustees express their gratitude to the Board of Selectmen and Department of Public Works for their on-going care of Rindge cemeteries.

I would like to thank Burt Goodrich on behalf of the Cemetery Trustees for his leadership and hard work on this Committee. We wish him the best of luck and good health.

Respectfully submitted,

Bill Harper, Chairman  
Doug Hoyt, Trustee  
Arwen Mellor, Trustee  
Mike Cloutier Sr., Sexton

## INGALLS MEMORIAL LIBRARY

2020 started off strong. At the end of February, the library's key statistics (circulation, library visits, and program attendance) were all at or above 2019 numbers, and the event calendars for March and April were full of great programs for residents of all ages. And then came March.

The Library, at the suggestion of the Emergency Management team, closed the doors and offered curbside service from March 18<sup>th</sup> until March 27<sup>th</sup>, when the Governor's Stay-at-Home order went into effect. At that time, we closed completely, and remained closed to the public until May 6<sup>th</sup>, when we began offering curbside services again. On June 1<sup>st</sup>, we reopened by appointment only. On June 15<sup>th</sup>, we reopened to the public, and we have remained open since.

During the shut-down, we worked hard to put safety measures, cleaning protocols and procedural changes in place, all to keep our staff and our valued patrons as safe as possible.

The building remains at 50% capacity, but to date, we have not had to turn anyone away – something the staff is all really proud of. Except for our inability to offer great programming, the Ingalls Memorial Library is the same great library it has always been. We continue to offer curbside services for patrons who would rather not enter public buildings, and will continue to do so....perhaps even after life returns to “normal” if the demand exists.

There have been some exciting changes at the library!

- With grants received from the American Library Association Census Equity Fund and the Roy A. Hunt Foundation, we were able to replace our Windows 7 computers with Windows 10 All-in-Ones. This has greatly improved the productivity of both our staff and our patrons.
- A mortar project, funded partially through grants from the New Hampshire Land and Community Heritage Investment Program and the New Hampshire Division of Historical Resources Conservation License Plate Grant Program (Moose Plate Grant) was completed.
- Thanks to funding from the Ingalls 1894 Association, the Children's Room has been updated with new mobile shelving, which allows greater flexibility in housing the collection and creating spaces for programming.
- We have added board games to our circulating collection, and will look forward to hosting family game nights when we are able to.
- We have added “Book Bundles” and LEGO Kits and Take and Make crafts.

During 2021, we hope to resume programming. (We miss it as much as our patrons do!) Until such time that the building occupancy restrictions are lifted and social distancing requirements lapse, we are unable to do so...but we are planning ahead for that day! We are also looking forward to broadband internet access!

This has been a difficult year, but I am proud of our library, and how quickly the staff adapted to ensure that our patrons had access to the materials and services they needed to get through these times. Perhaps one of the biggest struggles has been our ability to get new materials in. Book

suppliers have been impacted by the pandemic, and incoming shipments have suffered. We appreciate our patrons understanding.

Our library still offers something for everyone – including internet access, local newspapers, magazines, movies, books, audiobooks, jigsaw puzzles, photocopying, faxing services, printing, 3D printing, art displays, seeds, cake pans, help with technology and electronic resources.

The Ingalls Memorial Library is open 38 hours per week: Monday, Wednesday, and Friday, 10:00 – 5:00; Tuesday and Thursday, 1:00 – 8:00; and Saturday, 9:00 – 12:00. Despite being closed entirely for five weeks and offering curbside only for six more, there were 11,952 visits to the library this year.

As of December 31<sup>st</sup>, there were 2,549 registered patrons. Free library cards are available to people who reside, work, or own property or go to school in Rindge. Non-residents are able to purchase cards for a fee.

Registered users have access to 33,613 items housed at the library. Cardholders also have access to materials owned by libraries across the state through the Interlibrary Loan System, and are able to directly search the state catalog and place holds on items owned by other libraries if they chose to do so. Registered users can also download e-books and audiobooks through NH Downloadable Books powered by Overdrive. They have access to EBSCO databases, including Novelist, and Ancestry.com.

There were 436 internet sessions during the year. This does not include access to our Wi-Fi, which is available 24/7 from inside and outside the library.

Volunteers provided 108.5 hours of service to the library.

I would like to thank the Library Trustees, Friends of the Ingalls Memorial Library, and volunteers for all they do to help the library. Thank you to the individuals, local businesses, Rindge Woman's Club, RAMS, P.O.O.R., Charity Lodge #18 and the Roy A. Hunt Foundation for your support of our operations, and the Ingalls 1894 Association for your fundraising efforts. Thanks to all who have generously donated materials to the library. Thanks to the Public Works Department for taking such good care of the building and the grounds. Thanks to all other town employees and departments. This has been a year that I will never forget. Nor will I forget how we all worked together to navigate through it. It has been an honor to be a part of the team this year.

And thank you to all the residents of Rindge for patronizing the library – without you, the library is not a library. I appreciate your patience, your well-wishes and your caring concern as my team and I worked to keep the library available to you.

As Alexander Pope said, “Hope springs eternal....”

I look forward to seeing you at the library!

## **RECREATION DEPARTMENT**

2020 has been a year for adapting and rolling with the punches for us here at the Rec. Department. A pandemic is never something we thought we would have to plan around but nevertheless we were thrust into that position. Safety has been and always will be the highest priority for us during these challenging times. This meant shifting our energy into planning COVID-19 safe events and programs and we were able to modify numerous existing events while also creating new programs.

Many of the Recreation Department's ongoing programs were able to continue despite the pandemic, including: summer camp, youth soccer, and the extended day (before and after school) program. The annual holiday events including Trunk-or-Treat, Town Tree Lighting, and Senior Holiday dinner were able to proceed with several minor changes.

Some of the adaptations we had to make were not easy but it was wonderful to see volunteers from the community come together and assist even more this year when we needed it. The Senior Dinner this year was completely different as it was done as a delivery not a sit-down meal to maintain safety. We were thankfully still able to deliver 133 meals to our seniors in Rindge this year!

One of most popular programs is our before and after school program. This was directly affected by the schools switching to remote learning. After the school announced their changes, we created a new program to assist virtual learning as a satellite site for kids to come and virtual learn on their Chromebooks here at the Rec. Department.

In addition to these seasonal events, the Rindge Recreation Department coordinated several ongoing activities as well throughout the year. Some of these activities include: After School Karate class with Elizabeth Kenny, Senior Coffee on Wednesday mornings, a knitting group on Thursday afternoons, the Rindge Woman's Club crafters group, and year-round Chaos Soccer program. These programs were able to continue to run through March.

The Recreation Center building rentals have been active again this year with various events including: birthday parties, wedding receptions, company BBQ's, holiday events, and baby showers.

Most of our programs rely on parents and local community members volunteering their time and energy to make our programs as amazing and successful as they are. Thank you to all of our coaches, parents, and community members who took time out of their busy lives to enrich our programs! If you are interested in volunteering please contact the Recreation Department.

The hardworking volunteers of the Recreation Committee continue to be a strong support base for the Recreation Department. The Recreation Committee serves as an advisory board to the Recreation Director and all members volunteer their time throughout the year to assist at the many events the Department offers. Without the dedication of the Recreation Committee and part-time staff, the well-loved community traditions would not be possible. If you are interested in joining the Recreation Committee please give us a call!

The Recreation Committee consists of the following members: Jennifer Helsel, Jaime Hennessey, Tom Ciglar (secretary), Lydia Hatch, David Graham, and Karl Pruter / Roberta Oeser (Selectmen's Liaison).

The following programs were offered:

**Winter:**

Travel Basketball, Instructional Basketball

Thursday Night Lights Ski Program

February Vacation Field Trips

Chaos Travel Soccer

**Spring:**

Chaos Travel Soccer

**Summer:**

5 weeks of summer Day Camp (K-9<sup>th</sup>)

**Fall:**

Instructional Soccer

Travel Soccer NHSL

Chaos Travel Soccer

Many of our programs are supported by local businesses who make generous donations to keep programs running. Thank you to all of the individuals, civic groups, businesses, and foundations that made donations and grants to the Rindge Recreation Department. Without your support we would not be able to offer the variety of community activities that we do. With the ongoing help of our community and volunteers we look forward to even more growth in 2020!

Respectfully Submitted,

Daniel Bemis  
Recreation Director

## **CONSERVATION COMMISSION**

The Rindge Conservation Commission is charged with protecting the natural resources of Rindge and 2020 was a busy year for the Commission, even with the Covid19 pandemic.

The Commission completed the acquisition of a piece of property within the East Rindge village, known as the Ford Family Nature Preserve, through the generous donation of eight acres by Mr. Dan Ford. The property has been surveyed, signage and parking has been added and the Commission worked to remove some invasive plant species, planted pollinator plots and did general cleanup. Future plans include additional trails and recreation areas.

The Commission is continuing its efforts to conserve a piece of property that abuts Annett State Park, Wildwood Camp and is near Converse Meadow, in order to protect parts of two aquifers, wildlife habitat and corridors while providing for additional recreational opportunities. Though the property has gone through an ownership transfer, the Commission is working with new ownership for a modified project moving forward. The Commission has been awarded several grants and is very close to its matching grant goal and is looking forward to completing this important acquisition for the residents of Rindge, at no cost to the residents through taxation.

Several trail work days were held to continue to keep trails open and in good condition on all Town conserved properties and a new loop trail was added on the Eagle Scout project part of the Contoocook Marsh complex. Trails maps are available at the Town Office, property kiosks, the Town website and Trailfinder.com. The Commission continues to hold featured property guided hikes and paddles on a regular basis that are noticed in local papers and the Town website. We encourage all to take advantage of these events to get to know your Rindge Town properties.

The Commission attended most of the summer Rindge Farmers Markets on the West Rindge Common in an outreach effort to the Town residents explaining the mission and goals of the Commission. In all, the Commission had over 940 hours of volunteer time in 2020 from Commission members and interested volunteers, maintaining conserved properties and protecting the natural resources of Rindge.

The Chair wishes to express his gratitude to the dedicated Commission members that bring a wealth of experience, skills and passion to their efforts in protecting the natural resources of Rindge. I also want to acknowledge the efforts of the numerous Conservation Corps members and other volunteers, as well as the support of the residents of Rindge, in our efforts to preserve this great part of New Hampshire called Rindge.

The Commission meets the second Monday and fourth Thursday of the month and we welcome the public's input, the access for our virtual meetings is part of the posted agenda on the Town website. If you are interested in volunteering or getting involved in the activities of the Commission, please feel free to reach out to us through the website.

David G. Drouin  
Chair, RCC

## **CAPITAL IMPROVEMENT PLAN COMMITTEE**

In 2020, the Capital Improvement Plan (CIP) Committee met just three times but due to all of the hard work and proper planning done over the past several years, the Committee was able to provide the Board of Selectmen with recommended capital expenditures to be included in the 2021 Town Warrant based on the comprehensive plan in place. The recommendations are as follows:

- Lease payment four of five for Fire Engine 1
- Lease payment two of five for the Rescue
- The purchase of a police cruiser, the cost to be shared between the Police Detail Revolving Fund and taxation in keeping with the replacement schedule
- The replacement of the Highway Garage Roof
- \$50,000 appropriation to the Highway Equipment Capital Reserve Fund. This is in anticipation of the upcoming replacement of a Dump/Plow Truck in 2022. This is the second year of savings for this purchase.
- A \$10,000 appropriation to the Library Expendable Trust Fund for building projects such as replacing windows in the rear of the building, furnace replacement or generator purchase.
- A \$12,000 appropriation to the Cemetery Expendable Trust Fund, this is for year four of a five-year project.
- A \$30,000 appropriation to the Revaluation Capital Reserve Fund to begin saving for the next cycle.

Respectfully Submitted,

Ellen Smith  
Chairman

## **MEETING HOUSE OVERSIGHT COMMITTEE**

The Committee has not been able to meet this year, due to a few reasons:

1. Our Chairman, Burt Goodrich, resigned due to moving out of Rindge. (Our thanks and gratitude go out to Burt for having served, so efficiently and faithfully, for so many years.)
2. The Covid scare prevented some members from attending in person
3. Some members could/would not do Zoom meetings.

Despite the lack of meetings, committee members have been keenly aware of the needs of the Meetinghouse needs, and with Mike Cloutier's cooperation, several issues were addressed. We installed a mini split heater in the sprinkler room to protect from freezing, an emergency generator was installed and some carpentry work was completed.

The present and future needs of the Meetinghouse are to repair or replace some of the windows and painting the building. The painting will be done over a four-year process, one side at a time. The windows issue will be dealt with as needed and as funding is available.

Respectfully submitted,

Bob Hamilton  
Ex-officio member

### **TELETECH COMMITTEE**

The Rindge Telecommunications and Technology Committee, also called the TelTech Committee, is comprised of a group of volunteers that offer advice to the town on matters relating to services, software, and systems used for telecommunications and technology. The regularly scheduled public meetings were held on the 3<sup>rd</sup> Monday of each month.

The members of the committee are: Chairman, Phil Motta, Vice Chairman, Craig Clark, and Tim Wessels. Jon Bonnel was a member who left the committee during this year. We thank him for the service that he has provided to our town. This year the ex-officio member of the Committee has been Selectman, Karl Pruter.

This year the most important thing the Committee has been involved with has been the Fiber to the Premises Project. Public informational meetings were held in January and February. The town voted in favor of the warrant article to go forward with a solution offered by Consolidated Communications. The Committee also collaborated on the proposed contract through several draft revisions. We would like to thank the many people who offered their time and resources to help promote this project in order to have the warrant article pass. The project will provide the opportunity for everyone in Rindge to have access to a high-speed fiber-optic internet connection.

The Committee has been providing information to residents of the town as to the progress of the project. The Committee has also been communicating with Consolidated Communications, bringing those questions and concerns from people in town. Tim Wessels has been participating in the project meetings with Consolidated Communications and providing regular updates. Craig Clark has been answering many questions for people by phone, in person, and in online discussions.

At the time of this writing at the end of 2020, much of the work has been done and testing has begun. The next step after the testing phase will be to start getting town facilities connected and getting customers connected.

Faithfully submitted,

Phil Motta,  
Chairman

## **TOWN GOWN COMMITTEE**

The Town of Rindge and Franklin Pierce University work collaboratively together on the Town Gown Committee. The Committee consists of representatives from Franklin Pierce University, the Town of Rindge, and members of the Rindge community. The Committee meets monthly as a group and may meet more often to discuss specific events. Normal partnerships and collaborations were put on hold due to COVID. The Committee did meet regularly via electronic platforms to ensure safety of all.

The Town Gown Committee's Vision: Rindge is a community of people who live, work and learn together in a positive, synergistic way on a daily basis.

The Town Gown Committee's Mission: The mission of the Rindge-Franklin Pierce University Town Gown Team is to ensure a vibrant working relationship and reliable communication for the betterment of all and to have a direct line of communication between the organizations.

During 2020, the Committee collaborated on the following:

- FPU part of EMS call in June
- Created an open dialogue and partnership for any event or safety response configuration on campus
- Rindge invited FPU to join weekly Emergency Management meetings
- Welcoming students back in Fall semester following COVID protocols (Police, Fire, EMS)
- Commencement following COVID protocols (Police, Fire)
- Working to finalize an MOU related to Title IX on campus
- Partnered with enforcement of Rindge Ordinances among some off campus students
- Communication surrounding testing and any positive cases in the community
- Numerous training sessions on topics such as alcohol and other drug, enforcement and prevention (Police, Safety, Fire, EMS, Res. Life, etc.)
- Voter registration and education
- Discussions regarding traffic control at major Franklin Pierce events
- Discussions regarding Police, Fire and EMS call response protocol
- Police Chief Dan Anair was a featured speaker at one JAAA event in the Fall

Although COVID made the year look a bit different, the Committee looks forward to meeting in person and collaborating on the normal annual events in the future.

Respectively submitted,

Sara Gravel  
Town Administrator

## **ENERGY COMMISSION**

The Rindge Energy Commission began 2020 with the following objectives:

- 1.) Implement/identify energy efficiency/weatherization projects with paybacks of 5 to 7 years as identified in the 2011 Investment Grade Energy Audit Reports.
- 2.) Assist other Town Boards, Departments, and Committees in tracking and optimizing energy usage.
- 3.) Troubleshoot problems identified through tracking energy usage at various buildings.
- 4.) Support the efforts of the Jaffrey-Rindge School District to reduce energy consumption.
- 5.) Convert all town streetlights to LED as authorized by approval of 2019 warrant article.
- 6.) Install a heat pump in the Meeting House sprinkler shed.
- 7.) Follow developments in New Hampshire's newly enacted Community Power legislation.
- 8.) Replace the lighting in the Town Offices with high efficiency LED lighting.

The Energy Commission hoped to evaluate the effectiveness of the Energy Savings Performance Contract for the Jaffrey-Rindge School District now that there's more than a full year's worth of data, but the pandemic made that too difficult in 2020. More volunteer help is needed to tackle that in 2021. The Commission took advantage of the NHSAVES program to have World ES evaluate town buildings for lighting upgrades. World ES targeted the Town Offices as being a prime candidate for a project with a payback of less than two years if they do the work. The Board of Selectmen prefer to make this an "in house" project to get a faster payback.

The Commission participated in several statewide meetings regarding Community Power purchasing options. Much like the Monadnock Buying Collaborative that the town participates in for lower electric supply pricing, Community Power would allow businesses and residents to participate in a bulk electricity supply purchase agreement.

The Energy Commission would like to have an investment grade energy audit performed on the Wellington Recreation Building in 2020 with the help of the Department of Public Works and the Recreation Department.

The Energy Commission meets on the second Thursday of every month via a zoom call. New members and the public are always encouraged to join us. We seek new members to help us.

### **Total Energy**

The Town of Rindge spent approximately \$22,065 less on energy consumption in 2019 compared with 2011. Rindge expended approximately \$64,269 in energy dollars (excluding transportation but including the 50% paid by the Congregational Church for the Meeting House energy expense) in 2020. In contrast, Rindge spent \$81,955 in 2019 and \$86,874 in 2011. Since most of the energy efficiency projects were completed in 2012, the baseline year is 2011. Rindge spent \$21,292 on oil, \$2,105.23 on propane, \$34,088 for building electric, and \$6,784 for streetlight electric for a total of \$64,269 in 2020.

### **Heating**

2020 was a relatively warm year with 5421 Heating Degree Days (HDDs) compared with 5813 in 2011 and only 4911 in 2012. Overall, the Town used 3950 (26.5%) fewer gallons of oil than in 2011, but some of that savings can be attributed to reduced occupancy due to the pandemic as well as a

warmer winter. The town spent \$21,292 on oil in 2020. Despite the pandemic, reduced occupancy hours and a warmer winter, oil consumption was up (58.5%) over 2011 in the Town Offices.

With the help of the Department of Public Works, the Meeting House, Recreation Building and Town Offices will be re-evaluated for weatherization and control system remedies.

### **Electricity**

In 2020, Electricity consumption for the town buildings was down by 5.45% compared with 2011 usage levels. The Office Trailer and the Highway Garage were switched to be on the same meter in May of 2020. This caused the Highway Office Trailer to appear to have had over 100% increase in consumption since the two buildings consumed similar amounts of electricity. All buildings were reviewed for opportunities to reduce electricity consumption in 2020 through a free consulting program offered through NHSAVES. The town has the data supporting an LED replacement program at the Town Offices that would pay back in two years, but the Board of Selectmen declined to act on it this year.

The 2011 Streetlight conversion project continues to save at least \$5000/year compared with the higher rate paid prior to 2010 (Streetlight conversion project occurred in mid-2011).

Voters passed a warrant article in 2019 authorizing the replacement of all streetlights with LED lamps. The project was completed in May of 2020. This project has exceeded savings projections and the town saved \$3000 over a 7-month period.

The heat pump for the sprinkler shed project was funded in late December of 2019 and should help the town avoid approximately \$1000 per year in electricity costs at the Meeting House. Unfortunately, that installation happened too late to help with this season's electric heating bill and we are still studying the impact of that change.

The DPW should continue the excellent job it has been doing with procurement and energy efficiency projects.
